

Providing Quality Food
According to Your Demand

PT PRIMA PANGAN MADANI

COMPANY OVERVIEW

PT Prima Pangan Madani, or **MadaniFood**, is a Food and Beverage (F&B) Company with a full range of network for supplying Fresh Fish, Processed and Frozen Food

Our vast experience has led us to develop supporting services for F&B Industry from F&B Research and Development, Customized Packaging, to Food Shipment or Air Freight Services.

MadaniFood only provide high quality Halal-compliance products without preservatives and artificial color.

Processed Food

Enjoy Seafood is our prime quality processed and frozen seafood. Originally, Enjoy Seafood is our first endeavor in entering the domestic market in 2012. Since then, Enjoy Seafood has diversified into more than 10 products that are sold into retail chain stores and traditional markets in Indonesia.

Frozen Seafood

Enjoy Seafood also provide Boneless Milk Fish and Dory to retails as well as bulk sizes to Hotels, Restaurants and Catering Services.

Along the way, MadaniFood branched out into a new kind of brand, Deligo, a line of product to penetrate new market and geared toward lower-to-middle consumer.

DOMESTICS CLIENT LIST

MadaniFood have a nationwide distribution channels and easily available in large retail chain stores and supermarkets in Indonesia.

Furthermore, we are trusted supplier of Fresh Fish and Processed Seafood for Hotel, Restaurant, and Catering Services.

EXPORT MARKET

MadaniFood have experience in providing and developing food and beverage products for export purposes, such as to Fresh Fish to Dubai, UAE, crackers to India, and most recently, intensely involved in developing new fruity powder drink for Western Africa market.
